## Centro Universitario de los Valles

- Read very short, simple texts. Find specific, predictable information in simple everyday material such as advertisements, prospectuses, menus and timetables and create short simple personal letters.
- Communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar topics and activities. Handle very short social exchanges, even though I can't usually understand enough to keep the conversation going myself.
- State a series of phrases and sentences to describe in simple terms my family and their people, living conditions, my educational background and my present or most recent job.
- Write short, simple notes and messages relating to matters in areas of immediate need. Write a very simple personal letter, for example thanking someone for something.
